

La
vie
est
belle

The text is written in a fluid, black cursive script. The word 'La' is at the top left, 'vie' is in the middle right, 'est' is smaller and positioned between 'vie' and 'belle', and 'belle' is at the bottom. A small heart is drawn to the right of 'est'. There are several decorative flourishes: a large, elegant loop above 'vie', and a long, sweeping underline under 'belle'. Small black dots are scattered around the text, creating a starry or decorative effect.
